

Sky Hill Institute
Empower the Healer Within!

What does it feel like to have a truly good massage?

The Sky Hill Experience...

Graduates of Sky Hill Institute know, for they have been inspired to create what it takes to experience true greatness.

Sky Hill Institute was created by a group of individuals who know that there is no replacement or short cut to true healing. It is a process that happens within each one of us. Inspired by over twenty-three years of experience working with individuals from all walks of life, Sky Hill's foundation was founded in the culmination of thousands of hours of healing that took place over those years.

At Sky Hill Institute you will become the "King" that inspires a loyal following. You will learn how to provide bodywork that makes your clients feel safe, relaxed and healed. Your clients will feel that they are in the right hands and that there is nowhere else that they would rather be. Let us give you the recipe that will create for you that loyal following.

Through the Sky Hill experience you will have the ability to be grounded in your heart and let the healing energy flow through you to exactly where you need it to go in your client's body

Being a grounded healer is a calling for which Sky Hill can give you the support, training and tools you need to manifest and sustain your chosen purpose successfully.

"Integrative Bodywork" classes allow you to know from that knowing place inside, guided by your intuition, what your next move will be. Integration is key, integration of you innate knowing, your loving energy and your education. You will not have to think about what to do next, you will know because you have learned it, practiced it and then integrated it into you own knowing.

Sky Hill goes that extra step to ensure that you will have all the tools you need to marketing and present yourself in such a way that present you, your gifts and your skills. You will be prepared to build a sustainable and prosperous practice while nurturing not only others, but yourself as well.

Sky Hill Institute is an inspired School created by inspired individuals whose sole purpose is to help you create manifest your dreams. We will help you define your goals and support you with the training you need to feel inspired everyday by what you have chosen as a life path.
